

WESTONBIRT — LEISURE —

July 2014

We have welcomed a number of new Temporary members this month after the launch of a special offer in conjunction with Amazon. The aim of this offer is to introduce new people to the facilities and after a positive experience, they will then commit to a full membership.

We are aware that some members will feel the offer is offering better value, in the short term, than existing subscriptions. However this is a one off promotion and provides a cost effective marketing solution as it involves no cost and generates an income for the facility.

If anyone with their own business would like to discuss how well Amazon Local has worked for Westonbirt Leisure, please send an email and we will be in touch.

This month we have been able to revise and increase the Swimming Pool opening hours a little, although we still have many external groups and Schools using the facilities during the day, throughout July.

A limited number of Weekend membership subscriptions are now available, if you like to change to this subscription type please speak to a member of staff at reception.

Swimming Showering

Showering before swimming removes many pool water contaminators including hair, soap, perfumes, etc...

The best solution for clean Swimming Pool water is for all pool users to shower before swimming.

The showers on poolside are located primarily for the purpose of a pre swim, not to rinse off after!

Please help us improve water quality by adhering to this policy.

Fitness Footwear

There have been a few instances recently where trail runners / wellington boot walkers have used the facilities, resulting in a reduced experience for other users members as the floors are excessively dirty.

Please could we kindly remind all Fitness Suite and Functional Zone customers to bring clean footwear if exercising outside before visiting. Overshoes can be used to cover shoes within the changing rooms.

Members Guest Fee Policy

We wish to remind all members that all guests are chargeable, unless under the age of 3. We anticipate an increase in guest usage during the School Holidays, please pay at reception before entering the pool, payment may be made by card, cash or cheque.

Members who consistently abuse this policy may have their membership suspended or terminated. Adults guest £5.00, children £2.50 per visit.

Holiday Activity Courses

We are delighted to announce the launch of Holiday Activity Courses for children, to be held at Westonbirt School during August. Courses this summer include Pastries & Puddings, Bristol City Football Club coaching, Drama Workshop, Fizz Pop science and a Floristry course

Full details are available via the leaflets at reception and can be downloaded from our website.

We are pleased to offer all Sports Centre members 10% off when booking their own children.

If you or any friends require further details or would like a leaflet to be sent in the post, please contact a member of staff at reception or email Kay via kay@westonbirtevents.com
